

Standox Fibre Body Filler For Zinc U1010

Standox Fibre Body Filler For Zinc U1010 is a fibreglass reinforced body filler. It adheres to sheet metal and to glass-reinforced plastic, as well as cured old paintwork. It is easy to apply and to sand.

- Coarse fibreglass-reinforced polyester stopper.
- Can be used to repair small rust holes.
- Suitable for steel sheet, UP-glass fibre (unsaturated polyester), glass fibre reinforced plastic, and aluminium.
- Suitable for galvanised substrates.

The Art of Refinishing.

Standex Fibre Body Filler For Zinc U1010

Product preparation - application STANDARD
